### Borg Canedo I Gigli

---

Borgo Canedo i Gigli Estate, managed mainly by Paolo Baccichetto, stretch over about 30 hectares in the DOC Friuli area, the southern part of Friuli Venezia Giulia, one of the most devoted winemaking regions in Italy. The environment conditions of this DOC area are exceptionally favorable to vine cultivation thanks to the proximity to the sea which brings warm and salty waters to the inland, producing a milder climate. In this environment, extremely pleasant and aromatic wines are produced.
